

WEGSARS Ver. 6.22

Reported errors as of 3/21/12

Accumulated Provision for Uncollectible Accounts – Cr. (Acct. 144) (F-12) – First-of-year values are not coming forward onto the schedule when the report is added. If you need this value populated, go to the Edit menu and click on **Restore Values from Prior Year**. This will be corrected in the next release, however at this time there are no plans for another release this year.
